# Affidavit in Support of Administrative Variance

**(THIS AFFIDAVIT IS NOT REQUIRED FOR AN HISTORIC ADMINISTRATIVE SPECIAL HEARING)**

The undersigned hereby affirms under the penalties of perjury and upon personal knowledge to the Administrative Law Judge for Baltimore County, that the information herein given is true and correct and that the undersigned is/are competent to testify in the event that a public hearing is scheduled in the future with regard thereto. In addition, the undersigned hereby affirms that the property is not the subject of an active Code Enforcement case and that the residential property described below is owned and occupied by the undersigned.

Address: 25308 Glen Arm Road — Glen Arm — Maryland — 21057

Print or Type Address of property — City — State — Zip Code

Based upon personal knowledge, the following are the facts upon which I/we base the request for an Administrative Variance at the above address. **(Clearly state practical difficulty or hardship here)**

**Due to the small size and narrow shape of the property an accessory structure will not fit in the rear yard. I work on old tractors and other equipment and need a place to store materials and equipment. With the proposed pole barn it will protect my equipment and materials from the outside elements causing damage. The existing above ground pool will be removed and replaced with the pole barn. In additional the property would not look cluttered and unkept, making it an eye sore for the neighborhood. If this is not granted, I would have rent space incurring additional expenses, that I cannot financially afford.**

**(If additional space for the petition request or the above statement is needed, label and attach it to this Form)**
