Good Afternoon,

After the November 23rd hearing I emailed Mr. Shea with a question, since he was requested by the Board to handle attendees' questions during the hearing. I have not received a response from Mr. Shea. I am now forwarding my email to Mr. Shea along with the email dated July 19, 2021 from Sharon Mullaney, President of the Dunlogan Community Association for the Board's consideration in the subject case.

Thanks for your assistance in this matter.

Subject: Hearing - Family Crisis Center St Rita's Property

Thanks for assisting the large group of attendees at the hearing on November 23. I have a question pertaining to denial of my request to enter an exhibit.

Mr. Gontrum entered a letter from the Dunlogan Community Association as an exhibit in support of the Family Crisis Center. When I had the opportunity to speak, I tried to submit an email dated July 19, 2021 from Sharon Mullaney, President of the Association. Mr. Gontrum objected and Ms. Dopkin denied my request, ruling that it was hearsay because it wasn't entered in the prior hearing. At the prior hearing I objected to Mr. Gontrum's admission of the same letter based on the fact that I am a member of the Association and a formal vote by members regarding the St. Rita's project was never taken. Judge Murphy denied my objection stating it was something I needed to address with the Association regarding it's bylaws. I did at the next meeting and President, Sharon Mullaney, admitted she was wrong in not holding a formal vote. Her email of July 19 provides verification. I am forwarding that email to you.

I was overwhelmed when speaking at the hearing Tuesday. Later that night I realized I should have clarified to the Board the timeline for the email I wanted to submit. My question is, do I have recourse with the Appeal Board?

> > Just wanted to take the time to thank everyone who was able to attend the last meeting on such short notice. We discussed our usual topics, the accounting report, crime stats, good things happening in the community and minutes from our last meeting which was over a year ago.
> >
> > Here are some of the new things we discussed.
> > 1. Elections - The elections will be held in November. We will need anyone who is interested in running for office to be nominated or to let one of the Sgt. at Arms know you are putting your name in to run. This will need to be done by our October meeting. All of our offices are up for election, President, Vice President, Treasurer, Secretary and Sgt. at Arms. Anyone running for office must be a current member of the Dun Logan Association and in good standing. I did inform everyone at the last meeting I will not be running for another term. Bill Perry our Vice President and Mary Perry our Secretary also will not be running for another

term. Please if you are interested please run for office. We want our community association to continue to grow.

2. We had a long discussion regarding the St. Rita property and the Crisis Center wanting to purchase the buildings. We know not everyone in our association is in support of the crisis center purchasing the buildings. This brought up another topic of the way voting is handled at our meetings. I was wrong in not holding a formal vote and I do apologize.

3. By Laws - I will have copy of the By Laws for anyone who would like a copy.

4. Dumpster Day - We will discuss at the next meeting. We are looking at October if I can secure the American Legion parking lot.

Our next meeting will be held on Thursday August 5th @ 7pm at the The Forge 22 Centre Place in Dundalk Shopping Center. Please join us.

Thank you,
Sharon
