

OPINION OF THE BOARD OF ZONING APPEALS
OF BALTIMORE COUNTY

This is an appeal from an Order of the Zoning Commissioner of Baltimore County, dated June 2, 1949, denying the petition for reclassification of certain property located in the Fifteenth District of Baltimore County, described in said petition, from an "A" Residence Zone to an "B" Commercial Zone. Counsel for the petitioner and the petitioner were heard as well as certain protestants who reside in the immediate vicinity of the area involved in this case. The Board has given thorough consideration to the testimony and find as follows:

The petitioner stated in his petition and further stated at the hearing that he is suffering from ill health and wishes to open a store on the property known as 335 Lorraine Avenue, Essex, Baltimore County, Maryland. Of course this Board cannot take this into consideration in deciding this case. It is evident that the property is located in a residential zone and to reclassify the property would be unquestionably "spot zoning" of the worse sort. Also Lorraine Avenue at this point is a comparatively narrow street at this point and any commercial enterprise located on said street would certainly tend to cause congestion and create a traffic hazard. There could be no provision made for adequate parking and consequently to grant this petition would endanger the neighborhood in general.

The Board, therefore, will sign an Order in conformance with this opinion affirming the Order of the Zoning Commissioner dated June 2, 1949, denying the petition for reclassification from an "A" Residence Zone to an "B" Commercial Zone.

Appeal in the above entitled matter coming on for hearing before the Board of Zoning Appeals of Baltimore County on the seventh day of July, 1949, from the Order of the Zoning Commissioner of Baltimore County, dated the fifth day of May, 1949, denying the petition for reclassification from an "A" Residence Zone to an "B" Commercial Zone and it appearing from the evidence and facts adduced at the appeal hearing that the granting of the petition would be detrimental to the health, safety, morals and the general welfare of the surrounding community;

It is this 28th day of July, 1949, ORDERED by the Board of Zoning Appeals of Baltimore County that the Order of the Zoning Commissioner of Baltimore County be affirmed and the petition for the reclassification is hereby denied.
