RE: PETITION FOR A SPECIAL PERMIT FOR JUNK YARD (USED AUTO PARTS) N. S. Eastern Ave. Dsg. 1400 ft. E. Oriole Ave., 15th District of Baltimore County, Warren E. & Cecile I. Diffendall, Petitioners, Edward J. & Dorothy R. Diffendall, Contract Purchasers

The property which is the subject of this petition is located on the north side of Eastern Avenue, 1400 feet east of Oriole Avenue, in the Fifteenth District. The property has a frontage of 290 feet on Eastern Avenue with a rectangular depth northerly of 700 feet.

It is the intention of the petitioner if this special permit is granted to operate an automobile junk yard. The petitioner testified that it is customary in the junking of automobiles to burn the wooden parts of the bodies and the seats. He also testified that in his operation the rags that can be salvaged are not burned. There was considerable testimony by the protestants that the burning of these cars would constitute a fire hazard to their homes as the nearest fire plug was a considerable distance from this location.

In view of this possible fire hazard, it is the opinion of the Zoning Commissioner of Baltimore County that the operation of a junk yard at this location would be detrimental to the safety and general welfare of the community and the special permit petitioned for should be denied.

It is this 8th day of November, 1951, ORDERED by the Zoning Commissioner of Baltimore County, that the aforesaid special permit be and the same is hereby denied.
