Upon hearing on patition for a special permit to use the property described Dessin for a Private School (Bureary) and it apparing that by reason of location, being in a residential areas an eighborhood; would have a tendency to superclate a standard both the standard property and assent to "special conings". Also the fact that the two-stary prepared could be superclated as a standard property and season to "special conings". Also the fact that the two-stary frame describing in which the nursery will be conducted in sow housing two facilities and with the additional thirty different would not only comment it but would over-tax the limited source intellition, therefore he specials print protitioned should be desided.

It is this _______ asy of June, 1953, OFESRED by the Zoning Commissioner of Maltinore County that the aforesaid special permit be and the same is hereby denied.
