Subject ... Zoning Reclassification at York Road East of Bellona Avenue

I have noticed signs for some soning reclassification on York Road east of Bellona Avenue, on which I believe is the

opposite Belloma Avenue running easterly into the Novemort experty, which has been approved by the Day resement of Police received by the Day resement of Police acquiring a TO width for new road to extend into a street that leads across to Pot Spring Road and is the extension of Belloma Avenue. This is a very important link and is new in the Bureau of Land Acquisition.

Any soning of property in this area should be with the exception of the reads that are shown on the York Manor plat dated April 1, 1955. I believe this read any affect the soning at this location, or at least will affect the location of buildings or structures.
