In re: 920-922 Ingleside Avenue
Application for special exception
Atlantic Fefining Company
Herle W. and Irene Sears

Previously my clients, the above-maned parties, applied the issuance of a special use permit for said premises, for the establishment of filling station thereon. Due to the confusion which developed respecting some early roning maps, it is required that the said application be withdrawn.

Under the circumstances, I think it would be proper that the costs in the amount of all which have heretofors been advanced, be refunded. The receipt to cover the payment of costs is dated October 27, 1959.

Will you be kind enough to acknowledge receipt of this
