FROM Mr. George E. Gavrelis, Deputy Director

SUBJECT #5891. R-10 and R-6 to R-A. North pide of Joppa Road and Being property of John H. Hampshire, et. al.

HEARTHG:

Monday, July 8, 1963 (10:00 A.M.)

The staff of the Office of Planning and Zening has reviewed the subject potation for reclassification from R-10 and R-6 to R-1 zening. It has the following advisory comments to make with respect to perclaent planning

- The employ property is situated on the north slope of the ridge minch extends aimse Jopa Read. Its only feasible means of access is by may of Yest Read and Milliantly, the extension of Realiserth Drive easterly to Boaley Avenue. Changes in land two practices occurred on the Zening Real so as to test the present and the manage of the methods of the desired present and the practices manage to the methods of the desired property.
- 2. The Planning staff believes that creation of apartment zoning on the The Planning staff believes that creation of spartnerst soning on the subject property would be logical and appropriate. Agartenet soning here would result in use retentials which are consistent with these in the adjoining residential area. Agartenet soning was re-a transitional device between the inhesitial area a transitional device between the inhesitial area.
- Joppa moss:

 The Planning staff notes, however, that the subject petition seeks to consider the staff source apartment sounce southerly along a portion of Joppa Soad reposts [Plenadilly Seak, As a spensed objective, the Planning staff would feel that apartment soning along doppa Soad would not be considered with the chraster of Land pulped to Joppa Road here, plan of semila and, it notes that the petitioner proposes to voluntally restrict any building solvity along the Joppa Road front and the staff apartment, construction sees 200 feet norther than a service and provide say some staff apartment, construction sees 200 feet norther the prevailing grades on longuage the service adequates the provider of the proventing grades on longuage solving service adequates.

The patitioners in the above entitled ratter have requested Piccostlly East and the property on the north size of depth lead operator and "N-10" Zenes to m "N-4" Zene, because there have been defined and the court have been described by the concess in the area of the adjusted property.

Irradiately north of the property has been zoned "NFR" and to the west along the same Ridge "N-A" soning has been granted in two instances and as third neglect is pumiling. Construction is complete on one place of property.

Special attention must be given the requirements as to severage and drainage. There is now proposed a 12 lineh main from York Reas to Kenliverth Drive. This will give adequate of fire service.
