

PETITION FOR RECLASSIFICATION
FROM 20-00 Zone to 20-00 Zone
Special Exception for Doctors' Offices and Variance to Sec. 217.2 of Zoning Regulations -
No. 1. Cor. No. 1111 Boulevard
and Trappe Road, 11th District
Petitioners

The petitioners in the above entitled matter seek reclassification of property at the northeast corner of Harritt Boulevard and Trappe Road, in the Twelfth District of Baltimore County, from an "R-1" Zone to an "R-2" Zone a special exception for doctors' offices and variance to Section 217.2 of the zoning regulations of Baltimore County to permit also yard setbacks of 10 feet and 12 feet respectively instead of the required 25 feet.

From the testimony presented at the hearing it appears that by reason of location and the changes which have taken place in the character of the neighborhood, the reclassification should be made and the special exception for offices should be granted.

The variance requested to Section 217.2 of the zoning regulations to permit also yard setbacks of 10 feet and 12 feet instead of the required 25 feet should also be granted.

It is this 14th day of July, 1963, by the zoning Commissioner of Baltimore County, ordered that the herein described property or area should be and the same is hereby reclassified from an "R-1" Zone to an "R-2" Zone a special exception for offices should be and the same is granted, from and after the date of this order and the variance to permit also yard setbacks of 10 feet and 12 feet respectively instead of the required 25 feet is also granted, subject, however, to approval of the site plan for the development of said property by the State Board on Zoning, Bureau of Public Services and the Office of Planning and Zoning.

INTER-OFFICE CORRESPONDENCE

To: Mr. John G. Rose, Zoning Commissioner Date: July 12, 1963
FROM: Mr. George H. Garveris, Deputy Director

SUBJECT: 5903-RXV, R-6 to R-4, Special Exception for Doctors Offices and Variance to permit a side yard offset of 10 feet and 12 feet instead of the required 25 feet. Northeast corner of Harritt Boulevard and Trappe Road. Being property of James Gilbert.

12th District

REMARKS: Monday, July 29, 1963 (1:30 P.M.)

The staff of the Office of Planning and Zoning has reviewed the subject petition for reclassification from R-6 to R-4 zoning together with a Special Exception for Doctors Offices and Variance. It has the following advisory comments to make with respect to pertinent planning factors:

1. The Planning staff is in accord with the concept of creating R-4 zoning with office here. Such zoning would provide realistic relief to the subject property to its proximity to Harritt Boulevard and commercial land use potentials. Such zoning would serve also as a transition for the adjoining R-6 area.
2. If granted, the granting desirably should be conditioned upon approval of plans by the appropriate County agencies.
