SUBJECT: Special Exception for Service Garage Southwest side of Marie Avenue 317.40 feet Southeast of Eastern Avenue. Being property of Samuel Rome, Jr.
15th District

REMARK: Thursday, September 5, 1963 (1100 P.M.)

The staff of the Office of Planning and Zoning has reviewed the subject petition for Special Exception for a Service Garage and has the following advisory comments to make with respect to pertinent planning factors:

- The Planning Staff questions the adequacy of the subject property for Service Garage use - particularly for customer parking and for storage of vehicles awaiting repairs. The site plan indicates that the single family dwelling apparently will be retained. Since the Special Exception purports the entirety of the property is an additional Special Exception for living quarters required, and it is so that a basic conflict between the two Special Exceptions on the same property?
