RE: Item No. 121
Petitioner - Kosloski
Special Hearing Petition

Dear Mr. & Mrs. Kosloski:

The Zoning Plans Advisory Committee has reviewed the plan submitted with the above referenced petition and has made an on-site field inspection of the property. The following comments are not intended to indicate the appropriateness of the zoning action requested, but to assure that all parties are made aware of plans or problems with regard to the development plans that may have a bearing on this case. The Director of Planning may file a written report with the Zoning Commissioner with recommendations as to the suitability of the requested zoning.

The subject property is located on the northeast side of Winterdale Way, approximately 108 feet northwest of Silver Meadow Lane, in the 11th Election District, and is improved with a single family dwelling. Normally, your proposed construction, consisting of an attached awning and shade, would be permitted without the requirement of a public hearing. However, because this property is covered by an approved final development plan, and coupled with the fact that your adjoining neighbor requested that a public hearing be held, this Special Hearing is required. As you are aware, a similar request (Case No. 79-14-SPH), was granted for the adjoining property owner.

Enclosed are all comments submitted from the Committee to this office. The remaining members felt that no comment was warranted. This petition is accepted for filing on the date of the enclosed filing certificate. Notice of the hearing date and time, which will be held not less than 30 nor more than 30 days after the date of the filing certificate, will be forwarded to you in the near future.
