

OPINION

The subject property is 149 Bennett Road, consisting of

The pool and deck were built in July 1889 by the Maciejski's. It is located in the rear yard and is 12 feet in diameter. The rear yard is 16 feet wide. It is 1-1/2 feet from the west side property line and within the east side property line setback requirement of 2-1/2 feet. The deck is likewise 2-1/2 feet from the west side property line and 32 inches from the east side

Testimony indicated that it was not until after the pool and deck were constructed that a zoning inspection was done and it was determined that the location of the pool and deck was not within the 2-1/2 foot required setback. The zoning notice violation issued by the County did not mention or cite the shed located in

The testimony of the Petitioners coupled with the testimony of Mr. Stafford establishes evidence sufficient to meet the test

ORDER

For the reasons as set out above, it is therefore this 19th day of October, 1990, by the County Board of Appeals of Baltimore County ORDERED that the Petition for zoning variance to permit a 1-foot side yard setback, a 2-foot rear yard setback and a 10-foot to centerline of alley setback for a shed in lieu of

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Mrs. Wilson indicated that the pool blocks her view from her dining room window and that noise emanating from the pool disrupts the quiet enjoyment of her property.

- 1) whether strict compliance with requirement would unreasonably prevent the use of the property for a permitted purpose or render conformance unnecessarily burdensome;
- 2) whether the grant would do substantial injustice to applicant as well as lesser property owners in the district or whether a lesser relaxation than that applied for would give substantial relief; and
- 3) whether relief can be granted in such fashion that the spirit of the ordinance will be observed and public safety and welfare secured.

In reviewing the evidence, there is insufficient evidence to allow a finding that the Petitioner would experience practical difficulty or unreasonable hardship if the requested variance was denied. The testimony presented by the Petitioner was in support of a matter of a preference rather than of the necessity for the variance. The Petitioner has failed to show that compliance would unreasonably prevent the use of the property or be unnecessarily burdensome. Therefore, the variance requested must be denied.

Pursuant to the advertisement, posting of the property, and public hearing on this Petition held, and for the reasons given above, the relief requested should be denied.

THEREFORE, IT IS ORDERED by the Zoning Commissioner for Baltimore County this 22nd day of January, 1990 that the Petition for a Zoning Variance to permit a 1' side yard setback, a 2' rear yard setback and a 10' to centerline of alley setback for a shed in lieu of the 2-1/2', 2-1/2' and 15' respectively; and a 1-1/2' side yard setback for a pool in lieu of the 2-1/2', in accordance with Petitioners' Exhibit 1, be and is hereby DENIED.

IT IS FURTHER ORDERED that the accessory structures shall be brought into compliance with the Baltimore County Zoning Regulations (B.C.Z.R.) on or before July 1, 1990.

Dear Sir,

I would like to file a formal protest against
plot that was submitted as evidence in the
court trial protesting the erection of a swimming
pool located at 149 Bennett Rd Balto Md 21221
case no 90-244-A

I find a discrepancy in the measurement from
my property line to

A plot measure 32' and it only 22'
B plot measure 55 feet and the fence is 40' from
and at 30'

Also I dispute the agreement between the
property 751 Bennett Rd. The agreement was
was made after the fence was built and
in the zoning code I have to have a 40' front
property line. So I think I should have
have the pool.

And they let every one build a swimming pool and
I put a man around here. I thank you.

Dear Ms. Maciejski:

In response to your telephone call this morning, enclosed is a copy of the Opinion and Order issued by this Board in the matter of Mary Kaye Frain (denial of a pool permit). Also enclosed is a copy of the Board's rules as contained within the appendix of the Baltimore County Code.

Regarding upcoming hearings relative to zoning matters, the Board is scheduled to hear a variance case on Wednesday, February 14, at 1:00 p.m. in Room 301 of the County Office Building (denial of a satellite dish); on Friday, March 2 at 10:00 a.m., same location, regarding rear yard setbacks for a carport; and on Friday, March 23 at 10:00 a.m., same location, regarding a special exception and variance for an artist's studio. Since all hearings before the Board are open to the public, you are welcome to attend any of the above hearings as well as any other matter on the Board's docket.

For your information, I've enclosed a copy of Section 307 of the Baltimore County Zoning Regulations outlining the basis upon which a variance can be granted. I hope this and the above information is helpful. Once the Board has received your appeal through the Zoning Office, you will be notified when a date has been set for hearing. Should you have any questions, please don't hesitate to call this office.

Very truly yours,
Kathleen C. Weidenhammer
