FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before the Zoning Commissioner for consideration of a Petition for Administrative Variance filed by the owners of the subject property, Charles E. and Brenda Williams. The Petitioners seek relief from Sections 1B01.2.C.1.c and 301 of the Baltimore County Zoning Regulations (B.C.Z.R.) to permit a rear yard setback of 10 feet in lieu of the required 22 ½ feet for an open deck, and an amendment to the last approved Final Development Plan for Reisterstown Village. The subject property and relief sought are more particularly described on the site plan submitted which was accepted and marked into evidence as Petitioner's Exhibit 1.

The Petitioners have filed the supporting affidavits as required by Section 26-127 (b)(1) of the Baltimore County Code. The subject property having been posted and there being no requests for a public hearing, a decision shall be rendered based upon the documentation contained within the case file. Based upon the information available, there is no evidence in the file to indicate that the requested variances would adversely affect the health, safety or general welfare of the surrounding community and should therefore be granted. In the opinion of the Zoning Commissioner, the information, pictures, and affidavits submitted provide sufficient facts that comply with the requirements of Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioners.

ADVERTISING REQUIREMENTS AND PROCEDURES FOR ZONING HEARINGS

The Baltimore County Zoning Regulations (BCZR) require that notice be given to the general public/neighboring property owners relative to property which is the subject of an upcoming zoning hearing. For those petitions which require a public hearing, this notice is accomplished by posting a sign on the property (responsibility of the petitioner) and placement of a notice in a newspaper of general circulation in the County, both at least fifteen (15) days before the hearing.

Zoning Review will ensure that the legal requirements for advertising are satisfied. However, the petitioner is responsible for the costs associated with these requirements. The newspaper will bill the person listed below for the advertising. This advertising is due upon receipt and should be remitted directly to the newspaper.
