FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before this Deputy Zoning Commissioner as a Petition for Special Hearing filed by the legal owner of the subject property, William Cumberland. The Petitioner is requesting a special hearing request from Section 500.7 of the Baltimore County Zoning Regulations (B.C.Z.R.), to approve a non-density transfer of 12.32684 acres of land to Mr. Christopher Goelet, adjacent property owner, for property located at the west side of Priceville Road, north of Thornton Mill Road, which property is zoned RC 2.

Appearing at the hearing on behalf of the special hearing request were Christopher Goelet, the recipient of the non-density transfer and Ed Halle, Jr., attorney at law, representing the Petitioner. There were no protestants in attendance.

Testimony and evidence indicated that the property, which is the subject of this special hearing request, consists of 12.32684 acres and is part of a larger 84 acre tract of land owned by Mr. William Cumberland. Mr. Cumberland has negotiated with Mr. Christopher Goelet to transfer to him this 12.32684 acre parcel of property. The transfer in question will further agricultural purposes and will in no way be used to increase density for Mr. Goelet. Furthermore, Mr. Halle represented and submitted into evidence as Petitioner's Exhibit No. 2

ORDER RECEIVED FOR FILING

Date 9/13/00

By R. Gorman

evidence that the property to be transferred pursuant to this request shall be placed into the Land Preservation Trust easement. In order for this transfer to occur, the special hearing is necessary. After considering the testimony and evidence offered at the hearing, I find that the special hearing request should be granted.

After due consideration of the testimony and evidence presented, it is clear that practical difficulty or unreasonable hardship would result if the special hearing were not granted. It has been established that the requirements from which the Petitioner seeks relief would unduly restrict the use of the land due to the special conditions unique to this particular parcel. In addition, the relief requested will not be detrimental to the public health, safety or general welfare, and meets the spirit and intent of the B.C.Z.R. Therefore, permission for a non-density transfer of the 12.32684 acre parcel of land zoned RC 2 is granted.

THEREFORE, IT IS ORDERED by the Deputy Zoning Commissioner for Baltimore County this 13th day of September, 2000, that the Petitioner's Request for Special Hearing from Section 500.7 of the Baltimore County Zoning Regulations (B.C.Z.R.), to approve a non-density transfer of 12.32684 acres of land to Mr. Christopher Goelet, adjacent property owner, for property located at the west side of Priceville Road, north of Thornton Mill Road, be and is hereby GRANTED, subject, however, to the following restrictions which are conditions precedent to the relief granted herein:

1. Pursuant to Section 502.2 of the B.C.Z.R., a new deed incorporating a reference to this case and the terms and conditions set forth herein shall be recorded among the Land Records of Baltimore County within sixty (60) days of the date of this Order and a copy of the recorded deed shall be forwarded to the Department of Permits and Development Management (PDM) for inclusion in the case file.
2. When applying for any permits, the site plan filed must reference this case and set forth and address the restrictions of this Order.

ADVERTISING REQUIREMENTS AND PROCEDURES FOR ZONING HEARINGS

The Baltimore County Zoning Regulations (BCZR) require that notice be given to the general public/neighboring property owners relative to property which is the subject of an upcoming zoning hearing. For those petitions which require a public hearing, this notice is accomplished by posting a sign on the property (responsibility of the petitioner) and placement of a notice in a newspaper of general circulation in the County, both at least fifteen (15) days before the hearing.

Zoning Review will ensure that the legal requirements for advertising are satisfied. However, the petitioner is responsible for the costs associated with these requirements. The newspaper will bill the person listed below for the advertising. This advertising is due upon receipt and should be remitted directly to the newspaper.

OPINIONS MAY NOT BE ISSUED UNTIL ALL ADVERTISING COSTS ARE PAID.
