* BEFORE THE
* ZONING COMMISSIONER
* OF BALTIMORE COUNTY
* Case No. 03-046-A
*

* * * * *

FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before the Zoning Commissioner for consideration of a Petition for Administrative Variance filed by the owners of the subject property, Richard N. Ashley and Robert V. Milby. The Petitioners seek relief from Section 400.1 of the Baltimore County Zoning Regulations (B.C.Z.R.) to permit an accessory structure (12' x 16' shed) to be located in the side yard in lieu of the required rear yard. The subject property and requested relief are more particularly described on the site plan submitted with the Petition filed and marked into evidence as Petitioner's Exhibit 1.

The Petitioners have filed the supporting affidavits as required by Section 26-127 (b)(1) of the Baltimore County Code. The subject property having been posted and there being no requests for a public hearing, a decision shall be rendered based upon the documentation contained within the case file. Based upon the information available, there is no evidence in the file to indicate that the requested variances would adversely affect the health, safety or general welfare of the surrounding community and should therefore be granted. In the opinion of the Zoning Commissioner, the information, pictures, and affidavits submitted provide sufficient facts that comply with the requirements of Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioners.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the B.C.Z.R. having been met, and for the reasons set forth above, the relief requested should be granted.

THEREFORE, IT IS ORDERED by the Zoning Commissioner for Baltimore County this 11th day of September, 2002 that the Petition for Administrative Variance seeking relief from Section 400.1 of the Baltimore County Zoning Regulations (B.C.Z.R.) to permit an accessory structure (12' x 16' shed) to be located in the side yard in lieu of the required rear yard, in accordance with Petitioner's Exhibit 1, be and is hereby GRANTED, subject, however, to the following restriction:

- 1) The Petitioners may apply for their building permit and be granted same upon receipt of this Order; however, Petitioners are hereby made aware that proceeding at this time is at their own risk until the 30-day appeal period from the date of this Order has expired. If an appeal is filed and this Order is reversed, the relief granted herein shall be rescinded.

Affidavit in Support of Administrative Variance

The undersigned hereby affirms under the penalties of perjury to the Zoning Commissioner of Baltimore County, as follows: That the information herein given is within the personal knowledge of the Affiant(s) and that Affiant(s) is/are competent to testify thereto in the event that a public hearing is scheduled in the future with regard thereto.

That the Affiant(s) does/do presently reside at

625 Valley Lane
Address
Towson MD 21286
City State Zip Code

That based upon personal knowledge, the following are the facts upon which I/we base the request for an Administrative Variance at the above address (indicate hardship or practical difficulty):

The property is located at the dead end of Valley Lane. The lot is heavily landscaped, and the rear section is wooded. The proposed location of the shed is clear of vegetation and close to the existing garage. Construction cost, including electricity and water, would be more expensive if the shed were positioned further back in the property. The cost of moving trees and shrubs to allow a suitable location further back in the rear yard would be prohibitive. The residences closest to the proposed shed location face east, so their back yards border the property. A privacy fence and extensive landscaping provide a visual buffer, so the impact on adjacent properties would be negligible. In the proposed location, the shed would not be visible from the street or from neighboring yards.

That the Affiant(s) acknowledge(s) that if a formal demand is filed, Affiant(s) will be required to pay a reposting and advertising fee and may be required to provide additional information.

ADVERTISING REQUIREMENTS AND PROCEDURES FOR ZONING HEARINGS

The Baltimore County Zoning Regulations (BCZR) require that notice be given to the general public/neighboring property owners relative to property which is the subject of an upcoming zoning hearing. For those petitions which require a public hearing, this notice is accomplished by posting a sign on the property (responsibility of the petitioner) and placement of a notice in a newspaper of general circulation in the County, both at least fifteen (15) days before the hearing.

Zoning Review will ensure that the legal requirements for advertising are satisfied. However, the petitioner is responsible for the costs associated with these requirements. The newspaper will bill the person listed below for the advertising. This advertising is due upon receipt and should be remitted directly to the newspaper.

OPINIONS MAY NOT BE ISSUED UNTIL ALL ADVERTISING COSTS ARE PAID.
