FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before this Deputy Zoning Commissioner as a Petition for Administrative Variance filed by the legal owner of the subject property, Dung Kim Tram. The variance request is for property located at 1207 Wilson Avenue. The variance request is from Sections 1B02.3.A.5 and 1B02.3.B of the Baltimore County Zoning Regulations (B.C.Z.R.) to permit an addition with a 10 foot rear setback in lieu of the required 30 feet. The subject property and requested relief are more particularly described on Petitioner's Exhibit No. 1. The Petitioners want to construct a 20 foot x 26 foot addition onto the rear of the home to provide additional living space.

Zoning Advisory Committee Comments

The Zoning Advisory Committee (ZAC) comments are made part of the record of this case and contain the following highlights: None.

Applicable Law

Section 307 of the B.C.Z.R. – *Variances*.

"The Zoning Commissioner of Baltimore County and the County Board of Appeals, upon appeal, shall have and they are hereby given the power to grant variances from height and area regulations, from off-street parking regulations, and from sign regulations only in cases where special circumstances or conditions exist that are peculiar to the land or structure which is the subject of the variance request and where strict compliance with the Zoning Regulations for Baltimore County would result in practical difficulty or unreasonable hardship. No increase in residential density beyond that otherwise allowable by the Zoning Regulations shall be permitted

4-16-07

as a result of any such grant of a variance from height or area regulations. Furthermore, any such variance shall be granted only if in strict harmony with the spirit and intent of said height, area, off-street parking or sign regulations, and only in such manner as to grant relief without injury to the public health, safety and general welfare. They shall have no power to grant any other variances. Before granting any variance, the Zoning Commissioner shall require public notice to be given and shall hold a public hearing upon any application for a variance in the same manner as in the case of a petition for reclassification. Any order by the Zoning Commissioner or the County Board of Appeals granting a variance shall contain a finding of fact setting forth and specifying the reason or reasons for making such variance."

The Petitioner having filed a Petition for Administrative Variance and the subject property having been posted on March 24, 2007 and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioner has filed the supporting affidavits and photographs as required by Section 32-3-303 of the Baltimore County Code. Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare of the public and should therefore be granted. In the opinion of the Deputy Zoning Commissioner, the information, photographs, and affidavits submitted provide sufficient facts that comply with the requirements of Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioner.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the Baltimore County Zoning Regulations, and for the reasons given above, the requested variance should be GRANTED.

THEREFORE, IT IS ORDERED, by the Deputy Zoning Commissioner for Baltimore County, this ^{16th} day of April, 2007, that a variance from Sections 1B02.3.A.5 and 1B02.3.B of the Baltimore County Zoning Regulations (B.C.Z.R.) to permit an addition with a 10 foot rear setback in lieu of the required 30 feet be and is hereby GRANTED, subject to the following:

ADVERTISING REQUIREMENTS AND PROCEDURES FOR ZONING HEARINGS

The Baltimore County Zoning Regulations (BCZR) require that notice be given to the general public/neighbor property owners relative to property which is the subject of an upcoming zoning hearing. For those petitions which require a public hearing, this notice is accomplished by posting a sign on the property (responsibility of the petitioner) and placement of a notice in a newspaper of general circulation in the County, both at least fifteen (15) days before the hearing.

Zoning Review will ensure that the legal requirements for advertising are satisfied. However, the petitioner is responsible for the costs associated with these requirements. The newspaper will bill the person listed below for the advertising. This advertising is due upon receipt and should be remitted directly to the newspaper.

OPINIONS MAY NOT BE ISSUED UNTIL ALL ADVERTISING COSTS ARE PAID.
