OF

BALTIMORE COUNTY

Case Nos. 2009-0109-A &
2009-0110-A

* * * * *

FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before the Zoning Commissioner for consideration of Petitions for Variance filed by the legal owner of the subject properties, Rita L. Staab, for two (2) adjacent properties known as 201 Linhigh Avenue (Lots 467 & 468) and 203 Linhigh Avenue (Lots 469 & 470).¹ Since the properties are owned by the same person and are located adjacent to one another, the two (2) cases were heard contemporaneously. In Case No. 2009-0109-A (Lots 467 & 468), the Petitioner requests variance relief from Section 1B02.3C.1 of the Baltimore County Zoning Regulations (B.C.Z.R.), to permit an existing single-family dwelling on a lot with a lot width of 50 feet in lieu of the minimum required lot width of 55 feet. In Case No. 2009-0110-A (Lots 469 & 470), Petitioner requests similar relief. Specifically, relief is requested from B.C.Z.R. Section 1B02.3C.1 to permit a proposed single-family dwelling on an undersized lot with a lot width of 50 feet in lieu of the required 55 feet. The subject properties and requested relief are more particularly described on the site plan(s) submitted in each case, which were accepted into evidence and respectively marked as Petitioner's Exhibits 1 and 2.

¹ In 1951, Henry E. Staab and Rita L. Staab purchased Lots 467-470 in the subdivision of Linhigh. Their home was built on Lots 467 and 468 with the intent of building a second home on Lots 469 and 470 for family members. Henry E. Staab departed this world in July 2003 vesting fee simple ownership of the subject property to Rita L. Staab.

Appearing at the requisite public hearing in support of the requests were Rita L. Staab, property owner, and her children, John Staab, Anne McHugh and Jeanne-Marie S. Holly. There were no Protestants or other interested persons present. As noted, Mrs. Staab has resided on the property for some 57 years and confirmed that adjacent property owners do not oppose the requested zoning relief.

Testimony and evidence offered revealed that the subject parcels are located on the east side of Linhigh Avenue, just north of Henry Avenue in the Overlea/Fullerton area. The lots are identified as Lots 467 through 470 on Maryland Department of Assessments and Taxation Map 81 and the plat of subdivision of Linhigh, an older subdivision platted and recorded in the Land Records prior to 1945, thus prior to the first amended set of zoning regulations in Baltimore County. As is often the case with older subdivisions, many of the lots are undersized and do not meet current area and width requirements. In this regard, each of the subject lots contains a gross area of over 6,000 square feet combined (Lots 467 & 468 [201 Linhigh Avenue] improved with a 2-story brick and stone dwelling are 50' wide x 145' deep and contain 7,250 square feet; unimproved Lots 469 & 470 [203 Linhigh Avenue] likewise contain a gross area of 7,250 square feet), more or less, zoned D.R.5.5. Rita Staab desires to convey the adjacent lots to her children for development with a new two-story single-family dwelling. Testimony indicated that this new dwelling and existing dwelling would meet all front, side and rear setback requirements. Relief is requested to approve lot widths of 50 feet respectively and to approve the properties as undersized lots (width at building line less than that required by the area regulations) to permit the proposed development. Photographs and real property data search records illustrate the pattern of development and show that the subject properties and surrounding community were built on combined 25-foot wide lots which is also confirmed by the Office of Planning in its

Zoning Advisory Committee (ZAC) comment. There is no physical evidence that the subject properties were used or consolidated with any other lot to invoke the doctrine of merger as described in *Friends of the Ridge v. Baltimore Gas & Electric Company* 352 Md. 645 (1999) and *Remes v. Montgomery County* 387 Md. 52 (2005). Moreover, the uncontradicted evidence clearly establishes that there has never been a desire to combine or merge the several parcels (Lots 467-468) with (Lots 469-470).

Testimony offered in support of the requests was that without variance relief, Lots 469 & 470 could not be developed. Obviously, strict compliance with the regulations would create a hardship as the zoning regulations result in a denial of a reasonable and sufficient use of the property (*See Belvoir Farms v. North* 355 Md. 259 [1999]). Moreover, based on the testimony and evidence presented, the Petitioner is entitled to her variances as they have met the requirements of Section 304 of the B.C.Z.R. (*See Mueller v. People's Counsel for Baltimore County* 177 Md. App. 43 [2007]). In my view, the relief requested will not result in any detriment to the health, safety and general welfare of the surrounding locale and, therefore, would meet the spirit and intent of Section 307 for relief to be granted. The proposed dwelling will meet all front, side and rear setback requirements and will be situated on the lot(s) consistent with other houses in the community. Building elevations will be submitted to the Office of Planning for approval prior to the issuance of a building permit. The only deficiency in both of these instances is the lot width, which is 5 feet shy of the required 55 feet. This Commission granted similar relief for neighboring properties at 200 and 202 Linhigh Avenue in 1998. *See* Case Nos. 99-12-A and 99-15-A.

ADVERTISING REQUIREMENTS AND PROCEDURES FOR ZONING HEARINGS

The Baltimore County Zoning Regulations (BCZR) require that notice be given to the general public/neighboring property owners relative to property which is the subject of an upcoming zoning hearing. For those petitions which require a public hearing, this notice is accomplished by posting a sign on the property (responsibility of the petitioner) and placement of a notice in a newspaper of general circulation in the County, both at least fifteen (15) days before the hearing.

Zoning Review will ensure that the legal requirements for advertising are satisfied. However, the petitioner is responsible for the costs associated with these requirements. The newspaper will bill the person listed below for the advertising. This advertising is due upon receipt and should be remitted directly to the newspaper.

OPINIONS MAY NOT BE ISSUED UNTIL ALL ADVERTISING COSTS ARE PAID.

INTER-OFFICE CORRESPONDENCE

TO: Timothy M. Kotroco, Director
Department of Permits and
Development Management

DATE: January 2, 2009

FROM: Arnold F. 'Pat' Keller, III
Director, Office of Planning

SUBJECT: 210 & 203 Linhigh Avenue

INFORMATION:

Item Number: 9-109 & 09-110

Petitioner: Rita L Staab

Zoning: DR 5.5

Requested Action: Variance for lot width of 50 feet in lieu of 55 feet

SUMMARY OF RECOMMENDATIONS:

The Office of Planning has reviewed the subject request and has determined that the petitioner owns sufficient adjoining land to conform to the minimum width requirement and therefore does not meet the standards stated in Section 304.1.C of the BCZR. However, there appears to be several existing similar width lots in the neighborhood and as such the proposed house at 203 Linhigh Avenue is consistent with the pattern of the neighborhood. As such, this office does not oppose the petitioner's request.

If the petitioner's request is granted, the following conditions shall apply to the proposed dwelling:

1. Submit building elevations to this office for review and approval prior to the issuance any building permit. The proposed dwelling shall be compatible in size, exterior building materials, color, and architectural detail as that of the existing dwellings in the area.
2. Submit photographs of adjacent homes in the area at the time of building permit application to demonstrate compatibility of the proposed architecture.
3. Provide parking in the side or rear yard if off-street parking is required.

For further questions or additional information concerning the matters stated herein, please contact Laurie Hay with the Office of Planning at 410-887-3480.
