OPINION AND ORDER

This matter comes before the Office of Administrative Hearings (OAH) for consideration of a Petition for Special Hearing filed by Lawrence E. Schmidt, Esquire with Smith, Gildea & Schmidt, LLC, on behalf of Mark A. and Mary E. Orlando Llewellyn, ("Petitioners"). The Special Hearing was filed pursuant to § 500.7 of the Baltimore County Zoning Regulations ("B.C.Z.R.") to approve the nonconforming use and area of the property for two residential apartments pursuant to B.C.Z.R. §104.1.

Appearing at the public hearing in support of the requests was Mark A. Llewellyn, John Cavey and Ed Ostrowski. Lawrence E. Schmidt, Esquire with Smith, Gildea & Schmidt, LLC appeared and represented the Petitioners. There were no Protestants in attendance at the hearing. The Petition was advertised and posted as required by the Baltimore County Zoning Regulations. The only substantive Zoning Advisory Committee (ZAC) comment was submitted by the Department of Planning (DOP) dated May 7, 2014, indicating that agency did not oppose the request as long as Petitioners followed all rental registration regulations. Mr. Llewellyn stated that the dwelling has been inspected, and a copy of the rental housing license was admitted as Exhibit 8.

ORDER RECEIVED FOR FILING

By Den

The subject property is 2300 square feet and is zoned DR 10.5. The property is improved with a row home (or townhouse, in modern parlance). The house was constructed in 1948, at which time it was zoned "D", which permitted as of right two family units in a single dwelling, categorized as "dwelling, group house." In 1955, the B.C.Z.R. redefined "dwelling, group house" to provide that it was for one family only. Thus, the property became nonconforming upon the adoption of the 1955 Regulations.

In this case, John Cavey (who is 67 years old) testified that he was born in and still resides at 911 Elm Ridge Avenue, across the street from the subject property. Mr. Cavey stated that the houses in the neighborhood were constructed as two apartment units with separate entrances inside a vestibule. He stated that the subject property has always been used as a two apartment dwelling, and has been so used continuously and without interruption. Ed Ostrowski, who has lived at 909 Elm Ridge Avenue since 1986, provided similar testimony.

In these circumstances, the Petitioners have established that a lawful nonconforming use exists at the subject property, and the petition for special hearing will be granted.

THEREFORE, IT IS ORDERED this 4th day of June 2014, by this Administrative Law Judge, that the Petition for Special Hearing pursuant to § 500.7 of the Baltimore County Zoning Regulations ("B.C.Z.R), to approve the nonconforming use and area of the property for two residential apartments pursuant to B.C.Z.R. §104.1, be and is hereby GRANTED.

RE: Zoning for Rental Properties on Elm Ridge Avenue
Case #2014-0201-SPH, house number 902
Case #2014-0202-SPH, house number 940

Dear Mr. Richards

As property owners in the 900 block of Elm Ridge Avenue, we are writing to contest the proposed request to rezone two homes on our street into double occupancy apartment dwellings. In the 10 years in which we have lived at 935 Elm Ridge Ave., we have built a stable and caring home environment for our family; which now includes two daughters under the age of three. However, we have recently witnessed a decline in the quality of the neighborhood due to the increase in renters occupying homes on the street. Therefore, on behalf of several homeowners on the street, we felt compelled to voice our opposition to the applications to rezone houses on Elm Ridge Avenue.

In recent years, we have observed a direct correlation between the rise in renters on the street and the increase in negative occurrences. For example, the number of property code enforcements has increased from 13 to 21 in the past two years. That doesn't reflect the number of calls made to landlords prior to contacting to county. Those renting properties do not tend to the houses' appearances/landscaping needs since they do not have a tangible stake in either the property itself or the neighborhood. Moreover, the landlords display a complete disregard for the residents in the neighborhood as they ignore the upkeep of their properties since these houses are not their primary homes, but rather revenue sources.

Furthermore, the increase in renters has coincided with an uptick in property crime; both of our vehicles were vandalized in some fashion, and our neighbors - who own their homes - have experienced property damage. In addition, the influx of renters in the neighborhood creates an incredible lack of parking available to homeowners. The dwellings on the street that are currently rented average four cars per house...which greatly compounds an already limited street parking situation. Homeowners like us who have small children are repeatedly unable to park near our homes because of this overcrowding.

Above all else, the item that bothers us the most, especially as the parents of two small children, is the questionable character of the individuals who are renting properties on Elm Ridge Avenue. For example, Baltimore County Police Officers and medical personnel are a constant presence at a house across the street from our home. Just recently, the police visited this house five times in a two-week period; once placing the male renter in handcuffs. Incessantly loud arguing; profanity laced tirades; and sounds of physical altercations are routine with these specific renters. As you can imagine, that does not create the type of environment for which we wish to raise our children.

Between our mortgage and associated bills; upkeep on the physical structure/landscaping; and substantial property taxes, we have a significant amount of money invested in our home. Consequently, it is extremely frustrating to watch our neighborhood decline and we have no interest in seeing that slide continue with the addition of more rental properties. To be frank, landlords and renters do not care about the well-being of this neighborhood. Therefore, we are asking that you deny the requests to rezone these houses as rental properties after considering the negative influence rentals have on our neighborhood.

Thank you for your time and the opportunity to express our concerns.

Sincerely,

Nicole and Tim Richardson

**RE: OPPOSITION TO ZONING HOMES INTO APARTMENTS: CASES, 902
ELMRIDGE AVENUE (2014-0201-sph) AND 940 ELMRIDGE AVENUE (2014-0202-sph)**

May 29, 2014

Dear Mr. Richards:

We are writing in opposition to approving the apartments on Elmridge Avenue, in Baltimore, 21229. As concerned homeowners for the past 5 years, the homes on each both sides of our row home have renters on both the main floor and upstairs units. In the years we have lived here we have seen renters come and go, but they all have one thing in common. None of them maintain their yards. Our current renting neighbor's front lawn and back lawn has grown 2 feet tall, if not more. They do not make any attempt to maintain the yard because it is not "theirs", nor do they have the storage or funds available to purchase/own a lawnmower. The renters do not purchase the necessary lawn care items to keep up with routine yard work. In the 6 years that we have lived here, we have seen the landlords of both properties maybe a 5 times. They do not check on their homes and they do not see the lack of maintenance in their yard. I have spoken with a property manager who does what he can to maintain multiple lawns in the neighborhood, and he agrees that his services should be called upon more often because the yards are unkempt and attract unwanted pests.

Apartments have led to an infestation of rodents. The corner home next to us feeds animals constantly, and they live in the other neighbor's unmaintained yard. They do not appropriately protect their garbage (plastic containers, no lids), they literally throw handfuls of bird seed, bread, cat food and more into the yard, alley and even put feed on my fence until they were told not to (multiple times). I have found countless peanut shells throughout my yard and the alley to accompany these other items and along with them come rat droppings. I understand the city and county were instituting a plan to eliminate the rats, but have yet to see any workers come to our neighborhood after filing multiple claims. Our neighbors feel that they are feeding the squirrels and birds (90% of which are pigeons) and ignore the fact that rats come to feast on the remains of "food" that the birds do not pick up. Because they are provided a constant food source, the rats will never go away. Like I said, these neighbors throw handfuls of seed/food out MULTIPLE times a day. They do not care how the rodents effect the value of the property because they are renting. Combine the constant feeding along with tall grass for hiding and

burrowing, the renters provide an ideal habitat for unwanted pests and rodents. Again, they do not see the importance of maintaining property value which is easily deteriorating due to their negligence.

When we moved into our home 5 years ago we envisioned raising our children in what was a pleasant neighborhood. As we have seen more renters move into the area, homes have become devalued and we are attracting a lower income population. When we had new renters move in somewhere around 6+ months ago, we have since heard constant fighting which include far too many curse words and have seen the police show up on their doorstep 4 times. Who knows how many times they have been there while we are at work or away from our home. We have a 2 year old son and it pains us to know he is being exposed to this behavior. Due to the addition of rental properties on our street, our home has become far too devalued to be able to move.

A final concern we have is parking. We have off street parking and there are already far too many cars on our street to accommodate the addition of 4 new apartments. Adding 2 apartments to what was 1 home is potentially changing the average of 2 cars per housing unit to 4 cars because there are now 2 families per house. The alley behind our home does not provide parking spaces and yet it is being used by renters. As parents of 1 child, with another on the way this is a major concern. Carrying a toddler, infant carrier and diaper bag down the street each day because there is no parking in front of or near to our home should never happen, but adding apartments would make this a common occurrence. As homeowners, we 100% oppose adding any more apartments to Elmridge Avenue.

Thank you for taking the time to read our letter.

Regards,

Tessa Hurd & Ryan Hurd
