CASE NO. 2018-0265-A

* * * * *

OPINION AND ORDER

This matter comes before the Office of Administrative Hearings (“OAH”) for Baltimore County as a Petition for Variance filed by David Schafer and Douglas E. Schafer, legal owners of the subject property and Eric L. Bers, contract purchaser (“Petitioners”). The Petition seeks variance relief from Section 1B02.3.C.1 of the Baltimore County Zoning Regulations (“BCZR”): (1) to permit an existing dwelling with a side street setback of 11 ft. in lieu of the required 25 ft.; and (2) to permit a lot width of 50 ft. in lieu of the required 55 ft. A site plan was marked as Petitioners’ Exhibit 2. This case was combined for hearing with Case No. 2018-0264-A, which concerned the adjoining property.

Eric L. Bers appeared in support of the petition. There were no protestants or interested citizens in attendance. The Petition was advertised and posted as required by the BCZR. No substantive Zoning Advisory Committee (“ZAC”) comments were received from any of the county reviewing agencies.

The site is 6,250 sq. ft. in size and zoned DR 5.5. The property is improved with a single family dwelling constructed in 1925. Petitioners are not proposing any changes to the property or dwelling. Petitioners also own the adjacent unimproved property, which was the subject of

Case No. 2018-0264-A. Zoning relief was granted in that case to construct a single family

ORDER RECEIVED FOR FILING

Date 5-15-18

By kw

dwelling on a 50 ft. wide lot in lieu of the required 55 ft. As a consequence of that proposal, the lot width of 2927 Illinois becomes deficient; i.e., 50 ft. in lieu of the required 55 ft.

A variance request involves a two-step process, summarized as follows:

- (1) It must be shown the property is unique in a manner which makes it unlike surrounding properties, and that uniqueness or peculiarity must necessitate variance relief; and
- (2) If variance relief is denied, Petitioner will experience a practical difficulty or hardship.

Cromwell v. Ward, 102 Md. App. 691 (1995).

The lots are narrow and deep and the property is therefore unique. If the Regulations were strictly interpreted Petitioners would experience a practical difficulty because they would be required to raze or relocate the existing dwelling. Finally, I find that the variance can be granted in harmony with the spirit and intent of the BCZR, and in such manner as to grant relief without injury to the public health, safety and general welfare. This is demonstrated by the absence of County and/or community opposition.

THEREFORE, IT IS ORDERED, this 15th day of **May, 2018**, by the Administrative Law Judge for Baltimore County, that the Petition for Variance seeking relief from §1B02.3.C.1 of the Baltimore County Zoning Regulations ("BCZR"): (1) to permit an existing dwelling with a side street setback of 11 ft. in lieu of the required 25 ft.; and (2) to permit a lot width of 50 ft. in lieu of the required 55 ft., be and is hereby GRANTED.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.

JOHN E. BEVERUNGEN
Administrative Law Judge for
Baltimore County

ADVERTISING REQUIREMENTS AND PROCEDURES FOR ZONING HEARINGS

The Baltimore County Zoning Regulations (BCZR) require that notice be given to the general public/neighboring property owners relative to property which is the subject of an upcoming zoning hearing. For those petitions which require a public hearing, this notice is accomplished by posting a sign on the property (responsibility of the legal owner/petitioner) and placement of a notice in a newspaper of general circulation in the County, both at least twenty (20) days before the hearing.

Zoning Review will ensure that the legal requirements for advertising are satisfied. However, the legal owner/petitioner is responsible for the costs associated with these requirements. The newspaper will bill the person listed below for the advertising. This advertising is due upon receipt and should be remitted directly to the newspaper.

OPINIONS MAY NOT BE ISSUED UNTIL ALL ADVERTISING COSTS ARE PAID.

RE: Case Number: 2018-0265 A, Address: 2927 Illinois Avenue

To Whom It May Concern:

The above referenced petition was accepted for processing **ONLY** by the Bureau of Zoning Review, Department of Permits, Approvals, and Inspection (PAI) on April 3, 2018. This letter is not an approval, but only a **NOTIFICATION**.

The Zoning Advisory Committee (ZAC), which consists of representatives from several approval agencies, has reviewed the plans that were submitted with your petition. All comments submitted thus far from the members of the ZAC are attached. These comments are not intended to indicate the appropriateness of the zoning action requested, but to ensure that all parties (zoning commissioner, attorney, petitioner, etc.) are made aware of plans or problems with regard to the proposed improvements that may have a bearing on this case. All comments will be placed in the permanent case file.

If you need further information or have any questions, please do not hesitate to contact the commenting agency.

Very truly yours,
