OPINION AND ORDER

This matter comes before the Office of Administrative Hearings (OAH) for consideration of a Petition for Special Hearing filed on behalf of 5700 Edmondson, LLC, legal owner ("Petitioner"). The Special Hearing was filed pursuant to § 500.7 of the Baltimore County Zoning Regulations ("BCZR") to approve the nonconforming use of a 2-unit dwelling since 1945. A site plan was marked and admitted as Petitioner's Exhibit 1.

Joshua Willet and professional engineer Rick Richardson appeared in support of the petition. There were no protestants or interested citizens in attendance. The Petition was advertised and posted as required by the Baltimore County Zoning Regulations. A substantive Zoning Advisory Committee (ZAC) comment was received from the Department of Planning ("DOP"). That agency did not oppose the request.

The subject property is 3,514 square feet in size and zoned DR-10.5. The property is improved with an end-of-group townhome constructed in 1942. Petitioner purchased the home this year from the original owner's estate. The dwelling has two living units or apartments, accessed through separate exterior entrance doors. In the 1955 zoning regulations, this was referred to as a "two-family dwelling," which was defined as having "one housekeeping unit over the other." BCZR (1955) §101.

ORDER RECEIVED FOR FILING

Date 7/5/18

By Sen

Generally speaking, a nonconforming use is one that was operating lawfully as of the date zoning regulations were first adopted which rendered the use non-permitted. *Howard County v. Meyer*, 207 Md. 389 (1955). The BCZR defines a nonconforming use as “[a] legal use that does not conform to a use regulation for the zone in which it is located or to a special regulation applicable to such a use.” BCZR §101.1. Petitioner presented a series of photographs showing the electrical and HVAC units in the basement of the home which service both living units. In addition, the original owner’s nephew submitted an affidavit stating the structure has been used as a two-unit dwelling since its construction in 1942. As such the petition for special hearing will be granted.

The DOP submitted a ZAC comment which included three proposed conditions for inclusion in the final order. I believe proposed condition numbers 2 & 3 are appropriate and will be included below. The first condition, however, would require Petitioner to repair all “broken walkways.” Mr. Willet stated that the walkway located on his property (i.e., leading to the front door of the home) is in good condition, although the sidewalk adjoining the public road is in need of repair in a few places. Under the County Code, only the Department of Public Works (“DPW”) can order a resident to repair a sidewalk adjacent to his home, and the owner is entitled to appeal that order to the County Executive or his designee. BCC §18-3-304. As such, I will not include the first condition in the order below, and if DPW believes the sidewalk needs to be repaired it must follow the procedure set forth in the County Code.

THEREFORE, IT IS ORDERED this 5th day of **July, 2018** by this Administrative Law Judge, that the Petition for Special Hearing to approve the nonconforming use of a 2-unit dwelling since 1945, be and is hereby GRANTED.

The relief granted herein shall be subject to and conditioned upon the following:

ORDER RECEIVED FOR FILING

Date 7/5/18
By Sen

1. Petitioner may apply for necessary permits and/or licenses upon receipt of this Order. However, Petitioner is hereby made aware that proceeding at this time is at its own risk until 30 days from the date hereof, during which time an appeal can be filed by any party. If for whatever reason this Order is reversed, Petitioner would be required to return the subject property to its original condition.
2. Petitioner must comply with condition Nos. 2 & 3 in the DOP ZAC comment, a copy of which is attached hereto and made a part hereof.

Any appeal of this decision must be filed within thirty (30) days of the date of this Order.

ADVERTISING REQUIREMENTS AND PROCEDURES FOR ZONING HEARINGS

The Baltimore County Zoning Regulations (BCZR) require that notice be given to the general public/neighbor property owners relative to property which is the subject of an upcoming zoning hearing. For those petitions which require a public hearing, this notice is accomplished by posting a sign on the property (responsibility of the legal owner/petitioner) and placement of a notice in a newspaper of general circulation in the County, both at least twenty (20) days before the hearing.

Zoning Review will ensure that the legal requirements for advertising are satisfied. However, the legal owner/petitioner is responsible for the costs associated with these requirements. The newspaper will bill the person listed below for the advertising. This advertising is due upon receipt and should be remitted directly to the newspaper.

BALTIMORE COUNTY, MARYLAND INTER-OFFICE MEMORANDUM

TO: Arnold Jablon
Deputy Administrative Officer and
Director of Permits, Approvals and Inspections

DATE: 6/4/2018

FROM: Andrea Van Arsdale
Director, Department of Planning

SUBJECT: ZONING ADVISORY COMMITTEE COMMENTS
Case Number: 18-303

INFORMATION:

Property Address: 5711 Edmondson Avenue
Petitioner: Joshua Willet
Zoning: DR 10.5
Requested Action: Special Hearing

The Department of Planning has reviewed the petition for a special hearing under Baltimore County Zoning Regulations (BCZR) Section 500.7 to determine whether or not the Administrative Law Judge should approve a nonconforming use of a 2-unit dwelling since 1945.

A site visit was conducted on May 23, 2018.

The property is a 2,843 square foot lot improved with an end-of-row townhouse containing two apartments. According to The State Department of Assessments and Taxation (SDAT), the dwelling was built in 1942. The exterior of the dwelling appears to be in good condition. There are two rear yard parking spaces and a one-car garage that are accessible from a rear alley. There is ample on-street parking in the vicinity. Portions of the abutting sidewalk are broken. The lawn areas haven't been mowed in some time and the grass is excessively tall.

The Department of Planning does not have any objections to approving this request provided the administrative law judge finds that the two apartments were lawfully established and recommends the following conditions:

1. All broken walkways shall be repaired.
2. The lawn areas shall be kept free from tall grass.
3. Each rental unit shall be registered and be licensed with Baltimore County unless an exemption is approved by the County.

For further information concerning the matters stated herein, please contact Dennis Wertz at 410-887-3480.

INTER-OFFICE MEMORANDUM

TO: Arnold Jablon
Deputy Administrative Officer and
Director of Permits, Approvals and Inspections

DATE: 6/4/2018

FROM: Andrea Van Arsdale
Director, Department of Planning

SUBJECT: ZONING ADVISORY COMMITTEE COMMENTS
Case Number: 18-303

INFORMATION:

Property Address: 5711 Edmondson Avenue
Petitioner: Joshua Willet
Zoning: DR 10.5
Requested Action: Special Hearing

The Department of Planning has reviewed the petition for a special hearing under Baltimore County Zoning Regulations (BCZR) Section 500.7 to determine whether or not the Administrative Law Judge should approve a nonconforming use of a 2-unit dwelling since 1945.

A site visit was conducted on May 23, 2018.

The property is a 2,843 square foot lot improved with an end-of-row townhouse containing two apartments. According to The State Department of Assessments and Taxation (SDAT), the dwelling was built in 1942. The exterior of the dwelling appears to be in good condition. There are two rear yard parking spaces and a one-car garage that are accessible from a rear alley. There is ample on-street parking in the vicinity. Portions of the abutting sidewalk are broken. The lawn areas haven't been mowed in some time and the grass is excessively tall.

The Department of Planning does not have any objections to approving this request provided the administrative law judge finds that the two apartments were lawfully established and recommends the following conditions:

1. All broken walkways shall be repaired.
2. The lawn areas shall be kept free from tall grass.
3. Each rental unit shall be registered and be licensed with Baltimore County unless an exemption is approved by the County.
