OPINION AND ORDER

The above-captioned cases came before the Office of Administrative Hearings (“OAH”) for consideration of Petitions for Special Hearing filed by legal owners and Petitioners, Sharon Beautmont and Justin Tagg, her nephew for 12601 Manor Rd. (Case No.: 2023-0088-A) (the “12601 Manor Rd.”), and by legal owners and Petitioners, Walter Beaumont and Sharon Beaumont, husband and wife for 12535 Manor Rd. (Case No. 2023-0089-A) (the “12535 Manor Rd.”). The Petitions were filed pursuant to the Baltimore County Zoning Regulations (“BCZR”) §500.7 requesting approval of a non-density transfer of 17.5-acre parcel of land from 12601 Manor Rd. to a 2.66-acre parcel, owned by Walter and Sharon Beaumont 12535 Manor Rd., and to approve an amendment to the site plan in previous Case No. 1994-0326-SPH to permit a reconfiguration of the property known as 12535 Manor Road, containing 2.66 acres, more or less, to create one lot containing 20.16 acres, more or less.

On June 8, 2023, public WebEx virtual hearings were conducted separately at 1:30 p.m. and 2:30 p.m., in lieu of in-person hearings. The Petitions were properly advertised and posted. The Petitioners did not appear at either hearing. Bernadette Moskunas of Site Rite Inc., the surveying

firm who prepared a site plan, appeared on behalf of the Petitioners at both hearings (the “Site Plan”). (Pet. Ex. 5). ¹ No Protestants or interested persons attended the hearings.

Zoning Advisory Committee (“ZAC”) comments were received from the Department of Planning (“DOP”) and the Department of Environmental Protection and Sustainability (“DEPS”) which agencies did not oppose the requested relief. Department of Public Works and Transportation (“DPWT”) prepared identical comments dated May 2, 2023 which were received by OAH on June 7, 2023. Petitioners were shown the comments at the hearing. The DPWT comments read as follows:

1) Case #2023-0088-SPH, 12601 Manor Rd.:

A) Lot Line adjustments are considered development according to county code. A riverine flood plain that meets the qualifications of a Baltimore County flows overland on the property. Based on Baltimore County Code 32-4-414, development in a riverine flood plain is prohibited. A riverine flood study based on ultimate land use conditions according to the Department of Permits, Approvals and Inspections Bureau of Development Plans Review (DPR) Policy Manual and DPWT Design Manual must be submitted and “Accepted for Filing” by DPR before the approval of the Special Hearing.

2) Case #2023-0089-SPH, 12535 Manor Rd.:

A) Lot Line adjustments are considered development according to county code. A riverine flood plain that meets the qualifications of a Baltimore County flows overland on the property. Based on Baltimore County Code 32-4-414, development in a riverine flood plain is prohibited. A riverine flood study based on ultimate land use conditions according to the Department of Permits, Approvals and Inspections Bureau of Development Plans Review (DPR) Policy Manual and DPWT Design Manual must be submitted and “Accepted for Filing” by DPR before the approval of the Special Hearing.

Ms. Moskunas explained that both parcels at issue here (12601 Manor Rd. and 12535 Manor Rd.) were part of a larger 45.295 acre +/- parcel owned by Samuel M. Tagg and known as

¹ The exhibits are the same for both cases.

‘Stone Manor Farms’. Stone Manor Farms is still a working tree farm. Sharon Beaumont, and her brother Russell M. Tagg (who is now deceased) inherited all of Samuel M. Tagg’s land upon his death. Petitioner Justin Tagg is Russell M. Tagg’s son, and he inherited his father’s estate. Additionally, there is a northern parcel known as “Parcel 1” also owned by Sharon Beaumont and Justin Tagg.

Out of the larger parcel of land, Samuel M. Tagg created two (2) lots which became known as 12535 Manor Rd. (Lot 2) (2.66.16 acres +/-), and 12539 Manor Rd. (Lot 1) (2.0459 acres +/-) by recording a Plat of Stone Manor Farms – Section One in the Land Records of Baltimore County (EHK, Jr. 44, folio 48) on March 30, 1979. (Pet. Ex. 3). Subsequently, on November 3, 1981, Samuel M. Tagg recorded an Amended Plat for Stone Manor Farms – Section One in the Land Records of Baltimore County (EHK, Jr. 48, folio 62) to remove 12535 Manor Rd. (Lot 2) as a buildable lot and to return it to agricultural use. As a result of the Amended Plat, the total amount of agricultural land increased to 43.249 acres +/-.

In 1994, apparently there was a change in plans for 12535 Manor Rd. (Lot 2) because Samuel M. Tagg filed a Petition for Special Hearing in Case No. 1994-326-SPH seeking approval to again use it as a buildable lot for residential purposes. As a result of that approval, Sharon Beaumont, and her husband Walter Beaumont, constructed a home at 12535 Manor Rd. to live in. Additionally, they also owned the adjoining lot/home located at 12539 Manor Rd. which is currently being used as a rental property.

Subsequently, on August 1, 2018, Sharon Beaumont and Russell M. Tagg filed a ‘Minor Subdivision for 12601 and 12607 Manor Rd.’ (PAI #11-1173; Project No.: 18-044-M), to carve out a 2.4364 acre +/- parcel to be addressed as 12607 Manor Rd., leaving 12601 Manor Rd. with 31.8134 acres +/- . 12601 Manor Rd. is still the working tree farm and is improved with a single

family home and barn which is currently rented to a farmer. 12607 Manor Rd. is also improved with a single family home which is owned and occupied by Justin Tagg who manages the tree farm.

As shown on the Minor Subdivision Plat/Site Plan, the far eastern portion of 12601 Manor Rd. (17.5 acres) is unimproved and was placed in a Forest Buffer Easement as recorded by Deed in Land Records of Baltimore County (JLE Liber 43965, folio 19) (the "17.5 acre non-density parcel"). That 17.5 acre non-density parcel is not developable. In order to more evenly distribute the acreage of land between the current owners, Sharon Beaumont and Justin Tagg, the Petitioners, seek approval in both of the above-referenced Cases to transfer the 17.5 acre non-density parcel from 12601 Manor Rd. to 12535 Manor Rd. This will result in Sharon Beaumont and Justin Tagg each owning 20 acres +/- . Ms. Moskunas stated that the appropriate deeds will be recorded.

SPECIAL HEARING

A hearing to request special zoning relief is proper under BCZR, §500.7 as follows:

The said Zoning Commissioner shall have the power to conduct such other hearings and pass such orders thereon as shall, in his discretion, be necessary for the proper enforcement of all zoning regulations, subject to the right of appeal to the County Board of Appeals as hereinafter provided. The power given hereunder shall include the right of any interested person to petition the Zoning Commissioner for a public hearing after advertisement and notice to determine the existence of any purported nonconforming use on any premises or to determine any rights whatsoever of such person in any property in Baltimore County insofar as they are affected by these regulations.

"A request for special hearing is, in legal effect, a request for a declaratory judgment." *Antwerpen v. Baltimore County*, 163 Md. App. 194, 877 A.2d 1166, 1175 (2005). And, "the administrative practice in Baltimore County has been to determine whether the proposed Special Hearing would

be compatible with the community and generally consistent with the spirit and intent of the regulations.” *Kiesling v. Long*, Unreported Opinion, No. 1485, Md. App. (Sept. Term 2016).

I find that the requested relief in the above captioned cases, to transfer the 17.5 acre non-density parcel from 12601 Manor Rd. to 12535 Manor Rd. should be granted. While DPWT indicated in its comment that lot lines are being adjusted, there is no development taking place now, or in the future, for the 17.5 acre non-density parcel, which is protected in perpetuity by the recorded Forest Buffer Easement Deed. Additionally, the County agencies reviewed the Minor Subdivision Plat in 2021 and if a flood plain study was to be required, it would have been part of that process. With this transfer of land to 12535 Manor Rd., there is no change to the Forest Buffer. As such, a flood plain study will not be required. Likewise, DEPS’ concern was future development which is not an issue.

I find that, based on the facts presented, the requested relief is compatible with the surrounding community and generally consistent with the spirit and intent of the BCZR. Accordingly, it will be granted.

THEREFORE, IT IS ORDERED this 13th day of **June 2023**, by this Administrative Law Judge that the Petitions for Special Hearing pursuant to BCZR §500.7 to approve the transfer of 17.5 acre non-density parcel owned by Sharon Beaumont and her nephew, Justin Tagg, to 12535 Manor Road owned by Walter Beaumont and Sharon Beaumont, husband and wife, and to approve an amendment to the site plan in previous Case No. 1994-0326-SPH to permit a reconfiguration of 12535 Manor Road from a lot containing 2.66 acres +/-, to a lot containing 20.16 acres +/-, be, and it is hereby, **GRANTED**.

The relief granted herein shall be subject to the following:

- Petitioners may apply for necessary permits and/or licenses upon receipt of this Order. However, Petitioners are hereby made aware that proceeding at this time is at their own risk until 30 days from the date hereof, during which time an appeal can be filed by any party. If for whatever reason this Order is reversed, Petitioners would be required to return the subject property to its original condition.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.
