OPINION AND ORDER

This matter comes before the Office of Administrative Hearings (“OAH”) for Baltimore County for consideration of a Petition for Administrative Variance filed by the legal owner of the subject property, Maria Huitron Ramos (“Petitioner”). The Petitioner is requesting Variance relief pursuant to the Baltimore County Zoning Regulations (“BCZR”) § 1B02.C.3.C.1: To permit a proposed dwelling addition with a side yard setback of 3 ft. in lieu of the required 10 ft. The subject property and requested relief are more fully depicted on the site plan that was marked and accepted into evidence as Petitioner’s Exhibit 1.

The Zoning Advisory Committee (“ZAC”) comments were received and are made part of the record of this case. There were no adverse ZAC comments received by any of the County reviewing agencies. However, it is to be noted that a letter of support was contained in the case file from Ryan Morris (2427 Alma Road), that he had no objections to Petitioner’s zoning request.

The Petitioner having filed a Petition for Administrative Variance and the subject property having been posted on May 20, 2023 and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioner has filed the supporting affidavits as required by § 32-3-303 of the Baltimore County Code (“BCC”). Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare of

the public and should therefore be granted. In the opinion of the Administrative Law Judge, the information, photographs, and affidavits submitted provide sufficient facts to satisfy the requirements of § 307.1 of the BCZR. Furthermore, strict compliance with the BCZR would cause practical difficulty and/or unreasonable hardship for the Petitioner.

THEREFORE, IT IS ORDERED, this 7th day of **June, 2023**, by the Administrative Law Judge for Baltimore County, that the Petition for Variance seeking relief from the § B02.C.3.C.1: To permit a proposed dwelling addition with a side yard setback of 3 ft. in lieu of the required 10 ft., be and is hereby GRANTED.

The relief granted herein shall be subject to the following:

- Petitioner may apply for appropriate permits and be granted same upon receipt of this Order; however, Petitioner is hereby made aware that proceeding at this time is at her own risk until such time as the 30-day appellate process from this Order has expired. If, for whatever reason, this Order is reversed, Petitioner would be required to return, and be responsible for returning, said property to its original condition.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.

Dear neighbor,

We apologize for the inconvenience this may cause. We have started the process to eventually add an addition to our home. The addition will be on the side of our home where our door is currently at and, will extend very close to your home. There will be a setback of three feet so the addition won't be directly against your property line but very close. The purpose of this letter is to inform you of our action and see if you agree with them.
