Dear Prospective Bidder:

Thank you for your interest in this important Baltimore County project. On behalf of the Property Management Division, DPWT will accept bids on Thursday, December 19, 2024 at 10:45 A.M. EST, to replace a floating pier, retaining wall, fixed pier, installation of ADA ramp, and repair of walk path trail cracks at Stansbury Park Fishing Pier & Hiking Trail Replacement & Enhancements in Dundalk, MD.

In order to be considered responsive, bidders or their subcontractors must meet the following three (3) prequalification requirements:

1. Possess a current/valid Marine Contractor License from the State of Maryland.

3. Submit a supplemental package consisting of Marine Construction Services Affidavit and reference forms, due to County by Monday, November 25, 2024. All submissions will be either approved or denied by the County with email notices distributed on or before Thursday, December 5, 2024.

Names and phone numbers for references must be provided accurately as they will be verified by Baltimore County staff. Contracting firms who have met both prequalification requirements as described above may submit bids for this project.
